Dear Comrades,

President D Amar submitted his resignation to me on August 29. And, he requested me "to accept it at the earliest and make alternative arrangements as per the provisions of the Constitution." I read and re-read the Constitution and found it is silent on it specifically.

In the eventuality of Amar's sudden resignation and as per his request, I spoke to the Vice President Ambati Anjaneyulu, who is senior-most in the hierarchy of IJU three VPs, to take over as Interim/Acting President till the "NEC meets to fill the vacancy". He declined saying he would not be able to carry out the administration and that I ask the other two VPs, Geetartha Pathak and BS Jammu.

Accordingly, I contacted Vice President Geetartha Pathak, next in hierarchy and he agreed. Therefore, as per convention/accepted protocol and to facilitate acceptance of D Amar's resignation, I have asked Geetartha Pathak to take over as Acting President in the interest of the Union, till the NEC meets, efforts for which are being made simultaneously.

I would like to thank Geetartha for accepting the responsibility and hope we all extend him our cooperation.

In solidarity,

Sabina Inderjit

Secretary General
